

## A PRAYER TO ENCOURAGE YOU...

Through the “**blood of Jesus**” and **Psalm 91**, you are promised protection from every danger---no matter what it is---sickness, disease, assault, crime, earthly disasters, plagues, or any other threat to your safety and well-being.

Thank You, Lord, that Your Love and protection is “all-encompassing.”  
Thank You for being our defense and our Buckler (Shield and Protection).

Thank You for being our God of Peace, and for how You swiftly pound Satan under our feet and bless us with Your wonderful favor which surrounds us ALL THROUGHOUT THE DAY, according to **Romans 16:20**.

Father, thank You that according to Psalm 91, You continue to provide us with Your rest, refuge, safety, Your covering of faithfulness, freedom from fear, with angelic watchers, deliverance and constant protection.

Thank You that no plague comes nigh our dwelling. Thank You for the angels You have given charge over us to keep us in all our ways. We dispatch our angels “to do” and “to keep” all of their assignments.

We thank You for delivering us, and our families, from trouble, and for honoring us, and satisfying us (and our families) with long life. Thank You for showing us Your salvation.

Right now, we honor You, Father, for You are the only True and Living God.

We thank You for Your peace, Your comfort and Your healing virtue. Thank You for loving and keeping us, and of our families. Thank You for showing us just how “encompassing” Your love, and protection is.

Not only do you care about the things surrounding us, but You are meticulous about the things, and the people we care about. You care about everything that concerns us whether great or small.

You supply ALL OF OUR NEEDS according to Your riches in glory. Thank you, Father, for Your keeping Grace over Mt Zion, our families, and loved ones.

Thank You for Your mercy which is new every day. Thank You for Your faithfulness! Thank You for Your loving-kindness!

May the entire world stand still in awe of You and know (recognize and acknowledge) that You are God. The earth belongs to You, and them that dwell therein.

May the entire world realize that You will have no other gods before You, for You, and You alone are God. May the world bow in reverence and submission to You. May those who do not know You, seek You, and find You.

May, we, Your People, testify of Your goodness and keeping grace as You draw those in need of salvation unto Yourself. May all who say they love You, acknowledge You, and yield to You, and may the entire world see, know, and acknowledge that You are God.

We continue to plead the blood of Jesus together over the Mount Zion Missionary Baptist Church Family, our homes, families, loved ones, and finances.

Thank You, Father, for Your "all-encompassing love" and for your constant and never-ending shield of protection upon Your people, within Your people, among Your people, the entire body of Christ, the world, and they that dwell therein. Father, we THANK YOU that You, and YOUR WORD, are our HOLY VACCINE (PREPARATION) to war against the Coronavirus and all other diseases.

Your WORD is our **HOLY ANTIBIOTIC**. It has the power to inhibit the growth of the Coronavirus, and all diseases, and to destroy all microorganisms attached to and created by COVID-19 and all other diseases.

We also THANK YOU THAT **YOUR WORD** IS OUR SUPERNATURAL WEAPON OF DEFENSE AND PROTECTION in this battle that the world is in at this time.

Thank You for being **OUR SUPERNATURAL VACCINE** against all viruses and diseases, and for keeping us all in continued health; for providing for us; for continuing to bless our finances; for keeping us encouraged; for allowing us to continue to be encouraging to one another, and for Your covering that continues to shield, protect and strengthen us.

Thank You for **purifying the atmosphere** and totally nullifying and destroying every microorganism, disease, germ, bacteria, infection, inflammation, and virus associated with COVID-19 and for healing and restoring Your People in every, and any way, this epidemic may have already tried to affect or infect them.

We Thank You for Your Word, and Your LOVE, that **strengthens us to persevere** during these times. May the Lord continue to bless and keep you, your family, and loved ones according to **Numbers 6:24-26**.

In Jesus name, we pray. Amen.  
**You are in our prayers!**
