

# SECOND QUARTER ONLINE ACTIVITIES

## **Lesson 3 (April 19, 2020)**

### **Justice Prevails**

#### **Esther 7:1–10**

Evil comes upon those who plan it for others. Haman was killed by the device he had built to destroy Mordecai. Make a searching and unflinching moral inventory of yourself. Ask God to remove any evil intent and to purify your motivations.

This week, pick a day that will be reserved for a fast. Esther and the others fasted as an indication of their humility and readiness for the shift that God would provide through deliverance. On your day of fasting, dedicate yourself to prayer and meditating on the ways you need God to move in your life.

Write a prayer that can be committed to memory. This is a prayer that asks for God's help when help is seemingly nowhere to be found. After writing the prayer, work on memorizing it so that you can recite it at a moment's notice.
