

SECOND QUARTER ONLINE ACTIVITIES

Lesson 4 (April 26, 2020)

What Goes Around Comes Around

Isaiah 61:8-11; 62:2-4

What evidence do you have that God delights in you? Make a list of God's acts of grace toward you. Be sure to write down everything that you can think of; you may be surprised of how much you've seen God work.

Have you ever been disciplined by God? How has God responded after He was finished with your discipline? Was your discipline an opportunity for God to bless you and bring you into alignment with His purpose?
