Seeking A Champion of Justice

Isaiah 42:1-9

Think about various acts or instances of injustice. As you do, light a candle for each separate instance. When you finish lighting candles pray that God is able to use you as a champion of justice. "God use me as your servant. I want to help where I see injustice. I want to work where you work to right the wrongs of the world. In Jesus name, Amen."

Do a word study on *messiah*. It means, "anointed one." Look into the instances in which *messiah* or the phrase "anointed one" are used in the Bible
