

SECOND QUARTER ONLINE ACTIVITIES

Lesson 10 (June 7, 2020)

Listen Up!

Proverbs 1:1-4, 7-8, 10, 20-22, 32-33

Get together with a group of Bible readers who are also parents and start a collection of godly sayings that parents should share with their children. After writing it out share it with your children (and grandchildren) so that they may grow in wisdom.

Develop a short story about a simpleminded child who did not heed to wisdom and loved being simple. After writing out your story share it with the children at your church.
